2023 Muns Vineyard **PINOT NOIR** SANTA CRUZ MOUNTAINS

VINTAGE NOTES

The Santa Cruz Mountains followed the broader rhythm of the 2023 vintage, with a long, wet winter giving way to a later, even growing season. Perched 2,500 feet above sea level and above the fog line, Muns Vineyard enjoyed abundant sunshine and moderate temperatures. Harvest arrived just two weeks later than usual, yielding beautifully balanced fruit bursting with blackberry character, vibrant acidity, and ideal ripeness.

WINEMAKING NOTES

This windswept mountain vineyard yielded a radiant, elegant Pinot Noir in 2023, with inviting aromas of black cherry, white pepper, and bramble. On the palate, blackberry and sagebrush unfold across a rich, rounded texture, leading to a polished, lingering finish.
